#### OYSTER POINT MARINA PLAZA

Oyster Point Marina Plaza (OPMP) is situated on the San Francisco Bay and enjoys spectacular water views. OPMP includes two, five-story office buildings of the highest quality. OPMP has attained LEED Platinum status, the highest envirofriendly designation in the industry. OPMP has convenient shuttle transportation to BART, SamTrans, SF Ferry and Caltrans every half hour.

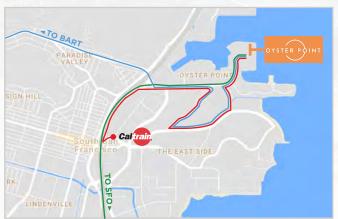

OPMP is conveniently located on Oyster Point Boulevard with immediate access to Highway 101 and the major transportation arterials of Highways 280 and 380. Locally tenants will find a plethora of restaurants and premier hotels, many within walking distance.

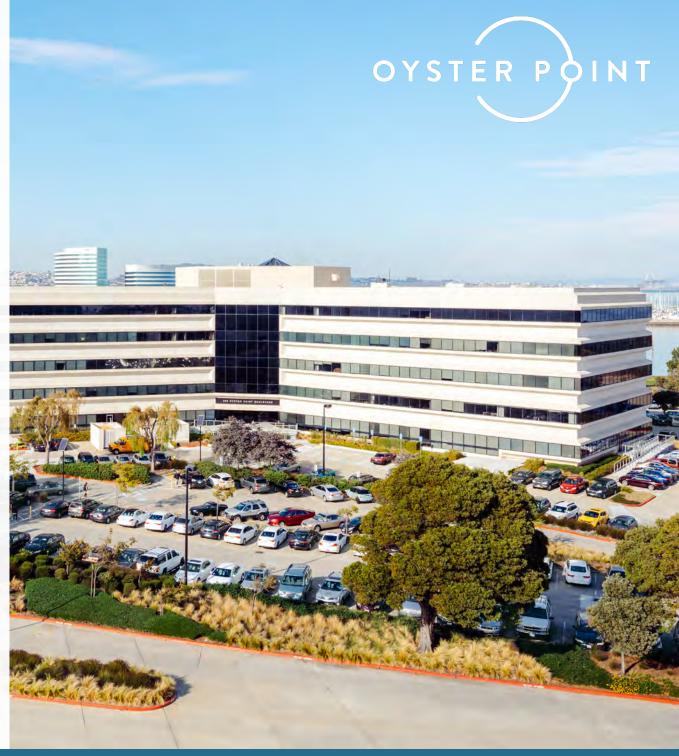

## SUSTAINABILITY

In 2016, Oyster Point Marina Plaza earned and was awarded the 5-year certification of LEED (Leadership in Energy and Environmental Design) PLATINUM-EB (Existing Buildings) by the U.S.G.B.C. (United States Green Building Council). As part of our efforts to attain this

prestigious recognition, we ask that our Tenants participate in energy conservation, recycling, and alternate forms of transportation, which can have a significant impact on the total energy usage each year as well as the opportunity to reduce our carbon footprint.
